

# Sustainability December 2017

## What We Do!

The public sector has a vital role to play in furthering sustainable development through the procurement of goods and services. In recognition of this role, NWSSP Procurement Services will promote leadership in sustainable procurement, working with suppliers of goods and services supporting the Welsh Government's commitments in the area of sustainability as set out in the Well-being of Future Generations (Wales) Act 2015.

## Sustainability Website Revamp

If you have a question on Sustainability, the Well-being of Future Generations (Wales) Act 2015, Ethical Employment or advice to on how to integrate Environmental and Green issues into the tender process, check out the newly revamped NWSSP Sustainability Website.
